Financial Literacy for Kids!

At Northwest Georgia Credit Union, we love financial education. In fact, we love it so much that we created our own curriculum to teach in the schools! Now that it's summer, we are looking for more ways to teach financial literacy and reach students with these great resources.

If you are interested in getting your kids involved we would love to know about it. Click [here](#) to fill out our survey and tell us that you are interested. Then keep your eye out for great learning opportunities for your kids!

Think Northwest

As you have read, NWGACU has jumped into the blogosphere with our blog www.thinknorthwest.org. We are writing about all kinds of topics as well as keeping you updated with happenings at the credit union. If you haven't started reading, here are some recent posts to catch you up to speed.
